

G'day Store Manager!

This letter is to let you know that one of your wonderful customers is keen for you to stock noosa yoghurt. noosa yoghurt is a unique combination of sweet and tart taste plus a thick, velvety texture - unlike any other yogurt on the market today. This all-natural yoghurt is made on-site at a family owned dairy Colorado. noosa yoghurt can be purchased through a variety of regional and national distributors including: UNFI, KeHE, DOT, and Burris Logistics. Please ask your distributor sales rep if they can bring it into your store or contact noosa directly at 844.800.GDAY or sales@noosayoghurt.com.

Cheers,
the noosa team
